TO: Parents of All Students
FROM: Dr. Jerry Meador, Superintendent
DATE: March 30, 2009
SUBJECT: NCLB Report Card

Section 1111(h)(2) of the No Child Left Behind Act (NCLB) requires that each LEA that received Title I, Part A funding to disseminate specific LEA (district) and campus level data to (1) all LEA campuses, (2) parents of all enrolled students, and (3) to make the information widely available through public means such as posting on the Internet, distribution to the media, or distribution through public agencies.

The following information is now available on the district's web site at this link:
www.broaddus.esc7.net.

1. Assessment results for Broaddus ISD and each campus are available in the aggregate and disaggregated by race, ethnicity, gender, disability status, migrant status, English proficiency, and economically disadvantaged showing two-year trend data for each subject and grade tested: by performance level; with a comparison between annual objectives and actual performance for each student group; and including the percentage of each group of students not tested.

This information is found in the Student Assessment Reports and Adequate Yearly Progress (AYP) Reports. Click the name of the school to access that school's report.

2. The AYP report includes graduation rates for secondary school students.
3. Performance of the district and each campus on adequate yearly progress measures can be found in the AYP reports.
4. There are no Title I schools in this district identified as in need of improvement.
5. The percentage of teachers in this district teaching with emergency or provisional credentials is 0%, and the percentage of classes in this district that are taught by highly qualified teachers is 93.41%. Because this district is a single attendance district, a comparison between high- and low-poverty schools does not apply.

More information about the professional qualifications of teachers at the schools in Broaddus ISD is found in the Highly Qualified Teacher reports at these links.
